# **INSTRUCTIONS FOR FORM 600-T EXEMPT ORGANIZATION UNRELATED BUSINESS INCOME TAX RETURN**

## **FILING REQUIREMENTS**

Every exempt organization, which is required to file a Form 990-T with the Federal Government and has unrelated trade or business income from Georgia sources, must file a Georgia Form 600-T.

## **WHEN AND WHERE TO FILE**

The return is due on or before the due date of the Federal Form 990-T as provided under the Internal Revenue Code. Returns should be mailed to Georgia Income Tax Division, P.O. Box 740397, Atlanta, Georgia 30374-0397.

## **EXTENSION OF TIME**

A reasonable extension of time for filing may be granted by the Commissioner upon application on Form IT-303. This must be filed prior to the date the return is due and must show that the delay is due to a reasonable cause. If the taxpayer has received from the Internal Revenue Service an extension of time within which to file his Federal return, the taxpayer need not apply to the Georgia Department of Revenue for a similar extension of time. All that is required is for a copy of the request for the Federal extension to be attached to the Georgia return. Interest accrues at the rate of 12 percent per year on any tax due from the regular due date of the return until paid. Georgia Law prohibits the granting of an extension of over 6 months from the due date of the return.

## **TAX RATE**

As provided by Georgia Code Section 48-7-25(c), unrelated business income shall be taxed at the rate of 6%.

## **ACCOUNTING METHOD**

Taxable income must be computed using the method of accounting regularly used in keeping the organization's books and records. In all cases, the method adopted must clearly reflect taxable income.

## **PERIOD TO BE COVERED**

The taxable period for Georgia purposes shall be the same as for Federal purposes.

## **ALLOCATION OF INCOME AND EXPENSES**

For those organizations having unrelated business income in Georgia and in other states, the income and expenses related to its production should be allocated to clearly reflect the Georgia unrelated business taxable income. Sufficient information should be attached to the Form 600-T to support the allocation of income and expenses to Georgia.

## **PENALTIES AND INTEREST**

Penalties provided by the Georgia Code are:

For delinquent filing—5% of tax due for each month or part month of delinquency, with a maximum of 25%.

For delinquent payment—1/2 of 1% due for each month or part month of delinquency. An extension of time for filing does not alter delinquent payment penalty.

For negligent underpayment—5% of amount of underpayment.

For fraudulent underpayment—50% of amount of underpayment.

Interest accrues at the rate of 12% per year from the due date for payment to the date paid. An extension of time for filing does not alter the interest charge.

## **FEDERAL FORM 990-T**

A copy of the Federal Form 990-T and supporting schedules (and any extensions) must be attached to this return.

“Georgia Public Revenue Code Section 48-2-31 stipulates that taxes shall be paid in lawful money of the United States free of any expense to the State of Georgia.”
